*Compressor replacement parts*

# Ingersoll-Rand® XLE Parts

*One source for everything you need to keep your XLE running*

## Fully engineered for superior efficiency and longer life!

CECO components for Ingersoll-Rand® XLE compressors are fully engineered for superior efficiency and a longer, trouble-free operating life. Manufactured and designed in our Houston facility, all parts meet or exceed OEM specifications. You can be sure an XLE part from CECO is interchangeable with the OEM, meets specifications, and is priced competitively.

CECO specializes in XLE replacement components. We also repair XLE regulators, cylinders, and valves. A complete line of parts are in stock for immediate shipment, 24 hours a day.

## XLE component replacement specialists!

*Delivering superior products and services to the gas transmission, gas processing & petrochemical industries since 1964.*
